IT Helpdesk Services

IT Helpdesk services are available via phone, email, or walk-up during office hours.

Monday – Thursday 8:30am - 5:00pm
Friday 8:30am – 1:30pm*

Email: helpdesk@limestone.edu
Phone: 864-488-4032
Office: Curtis, 22
A Welcome Email was sent from the IT Helpdesk to your personal email account with your Student number, Username, and Temporary Password when you committed to Limestone.

- Limestone uses a Self-Service Password Reset (SSPR) tool so you can change your password yourself, anytime.
- Multi-Factor Authentication (MFA)
  - Mobile App
  - SMS
- Your password will need to be reset each semester. To change your password, visit the Halo for the direct link.

*If you have not already changed your password, you must do so prior to accessing Limestone systems.
Limestone Systems

Computer Labs
There are several computer labs and printers for students to use across the campus.

Lab Locations
Main Library, Hamrick Hall of Science, Granberry Mac Lab (Art Majors)

24 Hour Lab Locations
Hamrick Hall of Science (3 Labs)

Checkout Option:
Laptops available for checkout while in the library

Note: You will use your Username and Password to log into any student computer on campus.
Recommendations for 2022-2023: Lenovo

Lenovo E15 Gen 2 is the standard on campus.

**Beware:**

- **Windows S mode** Big difference between Windows 10S and Windows 10 is that **10S can only run applications downloaded from the Windows Store.**

- **Chromebooks** and **iPads** are not a viable option for your primary educational device. We do not support Chromebook or iPad software or hardware.
Mobile Devices

Once you are a student you will be able to connect to the network Limestone using your student credentials.

Username: Student
Password: Saint123
Game Consoles

- Game consoles can be connected to the WIFI (Limestone)
- Each user is allotted 5 devices on the network
- Hines & Riggins Center (HRC): PS5 & Nintendo Switch

*IT Helpdesk does not support personal gaming consoles.
Smart TV’s/Devices

Smart TV’s/Devices can be connected to the Limestone Network via WIFI or hard connect (data cable not provided by Limestone IT).

*IT Helpdesk does not support personal devices.
Malware

software that is specifically designed to disrupt, damage, or gain unauthorized access to a computer system.

- IT Alert Emails
- Compromised Account Policy
  1. Network Team is Alerted
  2. Student Account Suspended (Halo, Canvas, and Email)
  3. Password is Changed
  4. IT Helpdesk technician will reach out to authenticate and re-enable account
