## LIMESTONE UNIVERSITY SPRING ORIENTATION 2023

**Spring Orientation 2023** will offer new Limestone Students the opportunity to connect with the University and other students before beginning classes on Monday, January 9. During our two-day Orientation, you will receive all of the information you need to have a successful first semester as a Limestone Saint. On Friday, you will be able to meet with Admissions, Financial Aid, the Business Office, and other offices to ensure you have everything in order. Students and families will participate in a question and answer session with members of the Student Success Division, including Academic Support, Equity and Inclusion, Housing, and more!

You will receive your Student ID, and check-in with Housing, if living on campus. On Saturday, you will meet with other new students, Orientation Leaders, and Student Enrichment Staff to ensure you have a class schedule, know your way around campus, and have the ability to log in and understand all of Limestone's online platforms as well as campus resources.

**Questions?** Contact **Kelly Tillinghast**, Director of Student Enrichment, at [ktillinghast@limestone.edu](mailto:ktillinghast@limestone.edu) or **864.488.4011**.
